WELCOME MESSAGE

It is with great pleasure that I welcome all riders, volunteers, visitors & locals to the 2023 Goldfields Cyclclassic & Community Challenge on behalf of the Eastern Goldfields Cycle Club, in this our 97th year of riding & racing around the Goldfields region.

The EGCC acknowledges the land on which we ride and meet, and pay our respects to the elders past, present and emerging, and to all people who call the Eastern & Northern Goldfields home. Thank you to Danielle Champion for her ongoing design contribution to the Goldfields Cyclclassic branding for 2023.

This year we celebrate the running of the 94th Chas Egan Memorial - Menzies Classic on Saturday 3rd of June & welcome back the Shire of Menzies as the major sponsor for the day. I would also like to acknowledge & thank the Shire of Menzies for their long-standing support as a Cyclclassic event partner, who without which this event would simply not happen.

Sunday 4th of June sees a revamp of the day 2 program, with the addition of two new races to complement the running of the 12th Minara Resources Leonora Golden Wheels, which will be run as a Men's Graded Scratch Race this year.

To further enhance the Leonora Golden Gift Sunday program, the EGCC is extremely proud to present the inaugural Minara Resources Leonora Women's Classic, an outstanding addition to the weekend & which will provide the penultimate race finish for the day down Tower Street.

Finally, the inaugural St Barbara Leonora Criterium, men's invite only race, should provide for an exciting spectacle on Tower Street to close out the afternoon's racing & festivities.

As in recent years, 2023 hasn't been any easier for communities & clubs such as ours in terms of organizing & delivering major events. I would like to acknowledge the hard work of the EGCC Committee, our event manager EventMatrix and our many long-standing event partners, who together have helped to navigate the past year and deliver this year's edition of Cyclclassic.

Finally, I would like to thank all our valuable 2023 volunteers, event sponsors, local businesses & supporters who continue to make this historic event possible.

Good luck to all the competitors & participants over the course of the weekend - ride safe & have fun!

Renny Leo

President - Eastern Goldfields Cycle Club

TESTIMONIALS

GREG DWYER

Menzies Shire President

The Shire of Menzies and its community are looking forward to the historic 94th Anniversary of the Chas Egan Memorial - Menzies Classic Cycle race. The opportunity to be the naming rights sponsor of the 2023 Menzies Classic and host all those involved in Goldfields Cyclclassic provides the biggest event on the Menzies Shire Sport calendar and a fantastic opportunity to showcase our wonderful region and attractions in collaboration with the City of Kalgoorlie-Boulder and the Shire of Leonora. We welcome riders, support crews and spectators to our region and invite you all to "Take a Look Around".

JOHN BOWLER

Mayor, City of Kalgoorlie-Boulder

The Goldfields Cyclclassic has gone from strength to strength as an event, and the pairing of this elite cycling event with the Leonora Golden Gift weekend was a commendable decision by the organisers of both events. The weekend is a true stand-out event which has many positive benefits for tourism in Kalgoorlie-Boulder and the Goldfields, and is one of my favourite weekends of the year.

PETER CRAIG

Leonora Shire President

The partnership between the Goldfields Cyclclassic and the Leonora Golden Gift has provided greater diversity to our athletics carnival program, which is well received by our visitors and spectators. With elite Olympic-level runners featured at the Leonora Golden Gift, the addition of high calibre cyclists has increased the dynamic of the carnival, providing a great opportunity to witness firsthand the athleticism and skill of competitors. The Shire of Leonora is most pleased to welcome again the Goldfields Cyclclassic to share in our long weekend celebrations and athletic endeavours.

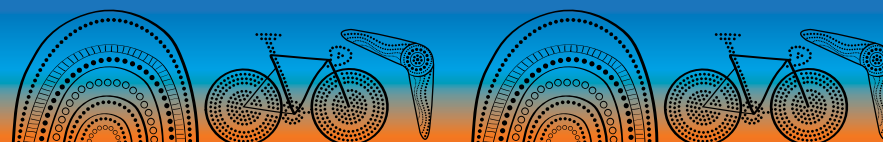

BILL HAYES

Race Director

Megan and I, as the Directors of EventMatrix, are again excited to be involved in assisting the Eastern Goldfields Cycle Club with the management of this iconic event. The 94th edition of the Menzies Classic will again be an inclusive handicap catering for all competitive cyclists. Northern Star are again supporting the Community Challenge event for those wanting to experience the unique Goldfields charm without the demands of racing.

Sunday brings an exciting new format that will include Graded Scratch races for the men where they will compete against their peers from Menzies to Leonora. Tactics and team-work play a crucial role in this format. The inaugural Minara Resources Women's Classic is the main event on Sunday and we are very excited to deliver this new handicap event specifically for female cyclists of all abilities. The icing on the cake will be a fast and furious Criterium race through the streets of Leonora bringing the 2023 Goldfields Cyclclassic to an adrenalin filled conclusion.

We wish all participants

Good Luck

for the 2023 Goldfields Cyclassic

There are multiple trailer road trains, caravans and other vehicles using the road. Please be vigilant and mindful, particularly when overtaking. A road train cannot stop or take evasive action easily. Do not overtake unless it is safe to do so. We expect all riders to observe the following:

✓	Remain on the left-hand side of the road, to the left of the white central line or to the left of the middle of the road, where the road is not marked* (the green zone). This applies to all sprint finishes.
✓	Racers crossing unbroken white lines (midline, diagram below), or using more than half the road will be disqualified (the red zone, diagram below).
✓	Maintain a distance of at least 10 metres from all convoy vehicles.
✓	Communicate hazards on the road to other riders verbally or with hand signals.
✓	Follow the directions given by the Race Director and Commissaires at all times.
✓	FOR SPRINT FINISHES – All road rules must be obeyed. Riders must keep their line. If you cross into the path of another cyclist you will be disqualified. Sprint finishes are marshalled.

- All grades will have a support vehicle following the peloton. Please bring spare wheels and ensure they are placed in the correct vehicle for your grade. Some generic spares, safety equipment and a first aid kit will be in each support vehicle.

The race will be followed by St John Ambulance and a Community Paramedic in the event of medical emergency.

The GRT bus will act as the sag wagon. The spares vehicle will not pick up riders who drop out of the race. Please wait for the sag wagon. If you fall significantly behind the peloton and are asked to get on the sag wagon, please do so. If you are unable to complete Day One, you will be permitted to start Day Two.
